BUSINESS SERVICES & OUTSOURCING

Outsourcing or third-party service of tasks has become an excellent alternative so that organizations do not waste their economic and administrative resources in functions that can be delegated to third party experts in the field and with lower costs for the companies.

We provide a range of outsourced services, aimed at the administrative, financial and accounting areas, through a team of highly qualified professionals with the necessary tools to achieve an optimal performance of your business.

SERVICES

- ▶ Accounting and Compliance
- ▶ Global Compliance
- ▶ Outsourced Business Processes

ACCOUNTING & COMPLIANCE

We study and evaluate the operations of the accounting system of your business with the purpose of advising and guiding the establishment of the necessary administrative controls, as well as the use of forms and reports that guarantee the generation of reliable accounting and financial information.

SUB-SERVICES

- ▶ Accounting and Bookkeeping
- ▶ Compilation of Annual Reports
- ▶ Report to Management
- ▶ Corporate and Indirect Tax Compliance
- ▶ Coordinate compliance work performed in one or more countries for multinational companies.
- ▶ Payroll services
- ▶ Assistance in complying with Law 23

GLOBAL COMPLIANCE

From Panama, we ensure that the work from our operations and from other countries that are part of BDO International meet the standards of quality and reliability.

Thus, we give the client the peace of mind of having a reliable person with the necessary level of experience to ensure compliance with delivery dates and standardization of all processes.

OUTSOURCED BUSINESS PROCESSES

Maintenance of international companies at the local level for the provision of complete administrative and accounting services.

Our Outsourcing services unit offers its international clients the possibility of being their financial office in the country, taking care of your financial information requirements in a timely manner and serving your local clients and suppliers. This service not only includes accounting tasks, but also providing all the administrative and compliance needs that the client's operations may require.
